

The logo for ABIRISK is repeated in a larger size, centered on the page. It features the word 'ABIRISK' in a stylized font with the same color scheme and syringe graphic as the top left logo.

SATELLITE SYMPOSIUM ON IMMUNOGENICITY OF BIOPHARMACEUTICALS

Sunday 6th September 2015

15.30-16.30

Austria Center Vienna (Level 1, Lounge 2) - Bruno-Kreisky-Platz 1 - 1220 Vienna, Austria

PROGRAM

Drug immunogenicity - what does it mean for treatment of patients?

Florian Deisenhammer - Medizinische Universität Innsbruck (IMU) - Austria

Global immunophenotyping as a tool to predict immunogenicity in autoimmune disorders

Claudia Mauri - University College London (ULC) - United Kingdom

CD4⁺ T cell response to biopharmaceuticals in healthy donors as a tool of prediction of immunogenicity

Bernard Maillère - Commissariat à l'énergie atomique et aux énergies alternatives (CEA) - France

Registration fee for ECI2015 is not needed for participation in ABIRISK Symposium
